Reversing *Citizens United*
Amending the Constitution to abolish corporate personhood
with David Cobb

Friday, February 10, 7:00 PM

Co-sponsored by Peace Committee of the Mt. Diablo Unitarian Universalist Church
55 Eckley Lane, Walnut Creek, California

David Cobb, an attorney and organizer for the **Move to Amend** coalition, will be touring California in February and March to help local residents understand the history behind the recent Supreme Court decision* and how they can work to abolish "Corporate Personhood" and establish a government of, by, and for the people by joining the Move to Amend campaign.

"Corporate Personhood" is the court-created doctrine that gives corporations constitutional rights intended for human beings.

David Cobb is a fiery speaker and former Green Party presidential candidate. His talk, "Creating Democracy & Challenging Corporate Rule," is part history lesson and part heart-felt call-to-action! Move to Amend (<http://movetoamend.org>) is a coalition of over 155,000 people and organizations whose goal is to amend the United States Constitution to end corporate rule and legalize democracy.

*The recent U.S. Supreme Court's ruling in *Citizens United v. FEC* opened the floodgates to unlimited corporate spending on elections.
